2020 RESOURCE LIST - YEAR 12

The Student Resource Scheme provides textbooks, equipment and resources to members throughout the school year. **(The attached list is a basic guide only as texts vary each year).** Upon joining, the scheme provides each participant with all the required textbooks and/or class sets for each subject selected; reproduced class materials which complement or substitute for textbooks; a wider range of textbooks, where a single text is insufficient; audio and visual tapes; teacher prepared handouts; access to some computer resources; novels to be read and access to class sets of books; subject materials and many other school resources throughout the school year, as well as a student diary and ID card. **Participation in the Scheme for 2020 is \$250.00 with a discount of \$50 if fully paid by Wednesday 26 Feb 2020 and a bond of \$75.00 (a once-only payment, refunded when the student leaves the Student Resource Scheme provided all books and resources are returned in good order and all payments are up to date).** We offer prepayment of the fees and payments can commence immediately. If you are in receipt of Newstart, Centrepay, Abstudy or any Centrelink payments then we can also set up Centrepay for you. Please see the staff in the Student Resource Room.
